Данное пособие содержит практический материал необходимый для формирования базовых лингвистических знаний о лексической системе английского языка, ее вариативности и особенностях организации. В первой части пособия рассматриваются этимология и словообразование английского языка. Цель пособия – ознакомить студентов с основными особенностями лексического строя английского языка, предотвратить некоторые типичные ошибки в словоупотреблении и при переводе на родной язык. Задания и упражнения, содержащиеся в пособии, способствуют развитию у студентов языковой догадки, совершенствованию умений работы с различными лексикографическими источниками.

Пособие предназначено для студентов 1 года обучения по программе профессиональной переподготовки «Переводчик в сфере профессиональной коммуникации».

Ответственный за выпуск: председатель методической комиссии ИМОМИ ННГУ к.и.н., доцент Бушуева С.В.
